Syllabus of
BASIC CONCEPTS &
GENERAL AWARENESS

Class: 7th

Name: _____

WISE SAYINGS

- ★ All I really need to know ... I learned in kindergarten.
- ★ Knowledge is of the past, wisdom is of the future.
- ★ Education is a progressive discovery of our own ignorance.
- ★ Always tell the truth. That way, you don't have to remember what you said.
- ★ It is impossible for a man to learn what he thinks he already knows.
- ★ Much learning does not teach understanding.
- ★ Conquer, but don't triumph.
- ★ Everything's got a moral, if only you can find it.
- ★ The great end of life is not knowledge but action.
- ★ I never think of the future. It comes soon enough.
- ★ Fear not for the future, weep not for the past.
- ★ Science is organized knowledge. Wisdom is organized life.
- ★ Knowledge is not enough; we must apply!
- ★ We are drowning in information but starved for knowledge.

BASIC CONCEPTS

NOTE: All the students are required to learn the following subject-wise basic concepts which will form an essential component of all the Examinations.
